

Amazon BRAZIL

YOUR MONTHLY \$35 GIFT:

Will allow a pastor or a pastor's wife like the one pictured to attend our Annual Jungle Pastors' Conference in the Amazon. The conference offers a unique opportunity for these jungle pastors and church leaders to be trained and equipped, as well as encouraged and refreshed. As a result of this time, they are able to continue to carry the Gospel to the ends of the earth. If you have questions about JMI sponsorships, contact us at info@justiceandmercy.org

Although your donation will be used as described above, please note that financial contributions toward a sponsorship of any kind through JMI are received into our general fund and are not considered designated giving.
